

**Theology matters when we consider our *response* when God rescues.**

*Luke 15:1-7*

- To whom was Jesus ministering? Describe these people.  
Who are these people today?
- Why did the scribes and Pharisees grumble about Jesus' ministry?  
Who grumbles today? Why?
- What were the circumstances of the man who has lost a sheep? What did he do?  
What does this communicate?
- When he finds the sheep, what does he do?
- What is the response in heaven to a saved soul?
- How ought this shape our responses when God chooses to rescue a lost sinner?  
What keeps us from this response?
