Questions for Thought or Discussion:

1. Do most people in this country struggle more with being content with little, or much?
2. In what areas do you struggle the most with contentment? Why?
3. In what ways is the need for Christ's Power to be content, consistent with other examples in scripture?
4. In what circumstances are we willing to place ourselves (our families) that will help us to learn / practice contentment?
5. How can what you learned today be applied to your life to help give you victory in this area?
