Fixing Flawed Faith

John 3:14-16

Numbers 21:6-9

- How were the Israelites told to respond?
- How does this compare to our response of faith?
- How has your understanding of "saving faith" been flawed?

1. Our problem

2. His plan

- Why did God send a serpent to bit the Israelites?
- Why was it easier to for them to see their problem than for us to see ours?
- Do we still have a problem with serpents? How do you know?
- Why did God have Moses use a bronze serpent?
- In what ways does the bronze serpent represent Christ?
- Why was it easier for them to see their salvation?
