

Theology matters when we consider passion in evangelism.

2 Corinthians 5:20

- What is an ambassador's job? How does an ambassador treat the message?
- How does this verse imply that God is passionate about His calling?
- What terminology does Paul use that indicates his level of passion?
- Why do you suppose Paul is passionate?
- How will good theology keep our passion from becoming obnoxious or offensive?

Theology matters when we consider the exclusivity of Christ.

John 14:6

- What does Jesus claim about Himself in this passage?
- How does this statement absolutely exclude all other “paths” to God?
- How might people react to this statement? How should you respond to their reactions?
- Why is it essential that people believe that Jesus is the only way to God?

Acts 4:12

- Where is salvation found? Where is it NOT found?
- What reason do Peter and John give for this?
- Notice that they say people “must” be saved by this name. What does this say about people’s need and Jesus’ exclusivity?
- What does this imply about those who do not believe?
