In the event that a child needs to leave the sanctuary during the service, the "Cry Room", Room # 122, on the west side of the building will be available, as well as the "Baby Room", Room #104, for nursing mothers on the east side.

## Prayer Focus

• Cornerstone family, please join us in praying for one another this week as we approach Christmas time. Please pray for safety for those who will be traveling, for comfort for those who cannot be with loved ones, and that this time would be a time of rejoicing in the Lord for all of us. Above all, pray that amidst the hustle of the season, that Christ and the historical truth of His incarnation would be central in our hearts and in our activities.

• Please pray CarePortal which is an organization that seeks to help vulnerable families through local churches. As requests arise, caseworkers submit needs through CarePortal that are then communicated to the churches in the community. Our church can help meet the physical needs of local families and also seek to build relationships with them through service and communication of the gospel. Please pray that families would come to know the Lord and connect with the local church as they are served through CarePortal.
