Prayer Focus

- A new year tends to bring a sense of encouragement rooted in the prospect of a new beginning. As we consider our endeavors for 2025 and how we might make changes for the better, let us remember that as Christians, we have much more to celebrate than just the prospect of a new year... we have new life in Christ! We have been made new, and we are being made new! With this in mind, please join with us in praying that we would be exulting in this truth as the Lord continues to sanctify us and make us a people that display and declare the gospel together.

- Please be in prayer for the ministry of CarePortal, that seeks to support foster families, reunite biological families, and care for kids. Lifting up local families in need and the case workers who support them. Giving praise for those who have been able to give financial and physical resources to these families. Also, praying for gospel opportunities as these needs are met.
