## **Spiritual Disciplines for the Christian Life**

Introduction: For the Purpose of Godliness

| 1  | . Introduction                    |   |                           |                     |
|----|-----------------------------------|---|---------------------------|---------------------|
|    | What                              | do you think of the phrase: "Discipline without             | direction is drudgery.    | ı                   |
|    | a.                                | a. An encounter with an angel                               |                           |                     |
|    | b.                                | . An encounter with the gospel                              |                           |                     |
|    |                                   | Romans 8:29   |                           |                     |
|    |                                   | 1 Timothy 4:7   |                           |                     |
| 2  | . The Lo                          | ord has provided them                                       |                           |                     |
|    |                                   | What are spiritual disciplines?                             |                           |                     |
|    |                                   |   | 1                         |                     |
|    |                                   | "The Spiritual Disciplines are those<br>promote spiritual   | and                       | disciplines that    |
|    |                                   | "They are the of devotion ar                                | ورواها بالمستسام          |                     |
|    |                                   | by the people of God since by                               | ia experientiai Christiar | nity that have been |
|    |                                   | Bible Intake  | blical times."            |                     |
|    |                                   | Prayer  |                           |                     |
